

## 2018 Migraine Research Foundation Impact Award

### Call for Letters of Interest

#### Research on Cannabis for the Treatment of Migraine

The Migraine Research Foundation, a US nonprofit that raises money to fund innovative migraine research, invites both US and international researchers to submit a Letter of Interest (LOI) for projects that will add to the understanding of cannabis for the treatment of migraine. Selected projects will be invited to submit a full application later this year. The Migraine Research Foundation will continue to issue an open RFP for seed-money grants (up to \$50,000) in the spring.

**Deadline:** March 1, 2018

**Funding:** a total maximum award of \$200,000 for a period not to exceed 3 years

**Content:** The LOI must include:

- a description of the proposed project, including aims and methodology
- how the proposed project will impact the understanding of cannabis for the treatment of migraine
- why the proposed project is innovative
- the names of investigators, institution, and contact information

**Length:** 2 pages maximum

**Evaluation Criteria:** innovation, relevance, scientific merit, feasibility

**Submission:** Email only: [2018ImpactAward@MigraineResearchFoundation.org](mailto:2018ImpactAward@MigraineResearchFoundation.org)
